WHAT'S NEW IN PGUSD

Pacific Grove Rotary Club has selected renovation of the middle school auditorium for its centennial project. It hopes to raise \$100,000, primarily through seat sponsorship at \$100 each, to reupholster and refinish the seats, paint the interior of the auditorium, refinish the floors and install new runners.

Of the \$12 million Bond Measure A money, \$2.3 million has been used to renovate the middle school site this school year. Nearly \$800,000 of this money was spent on the auditorium area.

The partnership between PG Rotary Club and PGUSD is a positive benefit for the community as a fine Performing Arts Center becomes available at the middle school auditorium.

Joe & Shirley Wedlake Celebrate Their Golden Anniversary

The Wedlake's celebrated their 50th with family and friends at a local restaurant on Feb. 14th. The couple was married in San Bernardino, CA. Joe was completing his tour of duty in the Navy and Shirley had begun a career in dentistry.

They moved to WVA, so Joe could complete his apprenticeship at the Wheeling, WVA, newspaper, then returned to California in 1957. In '68 they moved to Monterey. Joe worked as a printer for The Herald until his retirement in 1993.

Shirley worked in a local dental office and then began teaching with MPUSD Adult School and later with PGUSD, teaching ROP dental careers, retiring in 1994.

The couple have three sons and three grandsons and enjoy family traveling, gardening and golfing.
